

HLI Terms & Conditions

By enrolling you accept the following:

General

Home Language International (HLI) considers the choice of family to be more important than a specific town and reserves the right to place the student in another area if there is no compatible family in the area of first choice.

If the family we select does not match the requirements as stated on the booking form, students are free to cancel and will receive a complete refund provided the refusal is received no more than 48 hours after the family profile was sent.

If the original family selected cancels through illness or personal problems, a week or less before arrival (which rarely happens but when it does is unavoidable), a new replacement family will be provided but no cancellation will be accepted.

HLI must be notified of any problems or complaints before the end of the stay, if the student is a minor (under 18) it is the responsibility of the parent or guardian to inform us. Claims against HLI will only be considered if this is done.

Enrolments are accepted on condition that students tell us if they have any illness or infirmities, and give us details in advance. HLI reserves the right to send home students who have not disclosed such information.

HLI reserves the right to place a student with more than one host teacher or change the family during the stay if we feel it necessary. HLI also reserves the right to organize a homestay with one family and lessons with an outside teacher if a teacher family cannot be found.

No guest of the same nationality or mother tongue will stay in the family at the same time as an HLI student. Host families are however allowed to have guests of any nationality providing that they do not interfere with the HLI student's lessons or share the same language as them.

Please note only one discount can be claimed at any one time.

Transfers

If transfers are booked HLI must receive flight numbers and arrival times at least one week in advance otherwise the transfers are cancelled and non-refundable. If no transfers are booked the student should contact the family directly to let them have an approximate arrival time. If the family does not hear from the student, they will not expect them to arrive before 19h00. A mobile phone number is required for all students. Transfers are usually individual but can in rare cases be shared with other students. A supplement may be charged for late arrival if there is a lot of waiting time.

Cancellations & Insurance

- Up to 28 days before arrival: £200, €250, US\$250
- 28 days to 48 hours before arrival: 50% of total fees
- 48 hours or less before arrival: 100% of total fees
- After the course start date: 100% of total fees
- Fees are not refunded for late arrivals (after start of the course) or early departures (before end of the course)

Student MUST take out their own insurance against illnesses, accidents to themselves or third parties, loss of property and cancellations as no other refunds will be given.

Alteration charges

Alterations of area, date or programme often mean cancelling one family and finding another, so we must charge £100, €150 or US\$150 in every case.

When any of the programmes with activities are cancelled or altered at any time, we have to refund the payment for the activity side of the booking to the family in full because they in turn have paid for the activity several months in advance to secure places in busy periods. In addition to the cancellation fees we then charge £150, €200, US\$200. These amounts are added to our normal cancellation fees in all cases except when 100% of the fees are due.

Visas

We cannot issue visas but we can send a visa invitation letter by express courier. It is the responsibility of the client to submit the correct documents to the relevant visa authorities. HLI will supply such documents on request from the client or the agent. If a visa is refused, for example because a document is badly filled in or is missing, the student should submit an application for a second visa, if this is refused HLI will refund all fees paid less deposit. Please note there are often special requirements for students under 16 staying in the UK for more than 27 days and this can sometimes take the form of a letter to show that the local authority has been notified.
